Discussion instructions

Prayer instructions

- Focus your worship around the secret 4 people assignment. Take time for your men after worship to have personal prayer and select 4 men before the night is over. Jesus prayed all night you know — also a good example for you and your men to practice this one time.

Pass-out material instructions – have you prepared them?

Practical assignments

- Rule number one — “Practice what you preach”. The first step for a mentor is to model — mention the four people you are having a ministry with (not by name). Then share your progress. Only after that encourage the other men to follow your example.

Special adaptations for unique groups

- Think about the special adaptations you need to make for special groups
