

TITHING YOUR TIME

Small Group Discussion Questions

1. What are some of the different things you can tithe?
2. How do you understand the idea of tithing your time?
3. How does God want you to work, no matter what the job?
4. How can you describe the quality of work God wants you to do?
5. The principle of not working to fulfill our need for daily food is often overlooked. What are some Scripture passages that talk about this?
6. There are also passages that say if a man doesn't work, he shouldn't eat. How are these verses to be understood in light of the verses we talked about in the previous question?
7. What is the difference in results between you supplying your needs and God supplying your needs?
8. In spiritual work, how can you tell the difference between doing good and just doing busy work?
9. What does Jesus' example teach us about tithing our time?
10. How can we know what task God has for us?
11. How can we know how much God expects of us?
12. What is it that ultimately matters in life?
13. How can a person who feels called into fulltime ministry prepare for that?
14. What thought struck you the most out of this lecture?
15. If there are still issues you have questions about, please raise them now.
16. Spend any remaining time in personal prayer about God's challenge and expectations for you.
