

BECOMING LIKE JESUS

Leader's Guide: Bi8-3

Lecture time: 37 min.

Discussion time: approx. 30 min.

Leader's Oral Opening Comments

- If we become like Jesus we will have solved the problems of life. But that is exactly the task of the church leader — to solve the problems of his flock. Listen well to the lecture and start imitating.

Leader's Oral Closing Comments

- Let us share some personal ideas

Discussion instructions

- Have the attendees fill out the chart first, then dismiss to small groups. This discussion is for groups of 3-5 persons only. Because of the personal information requested it is essential to divide into the smallest groups possible.

Prayer instructions

- “Increasingly INCREASING” — Is there any more beautiful prayer topic? We suggest to divide in groups of about 6 men. First let each person orally give praise to God for one area in his life where the Holy Spirit has increasingly increased him. After all have offered praise and thanksgiving for how God has already been beautifying them, follow by making a second round and let each person publically express his desire for increase in another area of his life. You can of course make this the theme for your Worship and Prayer Time.
