

# LEARNING TO GIVE

## *Leader's Guide:* Bi9-3

Lecture time: 13 min.

Discussion time: approx. 15 min.

### **Leader's Oral Closing Comments**

- God has given us salvation. God has given us resurrection. God has given us a place in heaven. God is just giving and giving to us. That is what you need to do, **imitate** God, make other people successful. To begin with what are you going to give that dear wife of yours when you arrive home after this session? Who else immediately comes to mind?? What can you give them? How much does the gift of your voice cost? A compliment? A word of appreciation? Some regular friendly phone calls can bring such a blessing? What else? Let us throw a few ideas around!

**Discussion instructions** – follow the suggestions

**Pass-out material instructions** – do you have a copy for each person?

### **Practical assignments**

- A list of practical assignments is not provided for this lecture. However, it is strongly encouraged for you to develop several assignments that would benefit your participants' lives and ministries.
- Use the discussion suggestions from the brothers for this.
- My personal Assignment to be reported on next session is:

### **Special adaptations for unique groups**

- Think about the special adaptations you need to make for special groups
