Lecture time: 51 min.

Discussion time: approx. 25 min.

Lecture instructions

- While preparing to use this lecture you the mentor should list your own 5 steps and practice them. Then when you present this lecture report to the group how it went.

Leader's Oral Opening Comments

- Grace flows to the lowest place.

Discussion instructions

- Hand out the evaluations and then give the students about five minutes to answer the questions. Allow fifteen minutes for prayer and meditation and then instruct the students to finish any part of the assignment that they have not yet completed.

Prayer instructions

- For the Prayer Time — the “Personal Evaluations” contain about 17 items. Have the men stand in a circle in one large group. Each person prays on the basis of one item. You can pass the paper around and each one reads the next item out loud and prays for that item, or you can announce the item yourself. These prayers may be interpretive of the item and adapted for personal or collective use –give the men freedom — let the Spirit lead.

Pass-out material — instructions – that is what the Student Notes are for!

Practical assignments

- It is your responsibility to see to it that each person has chosen 5 steps and put them in writing. Check! Check! Check!
- Upon completion of their assignment follow-up with each person in a quiet discipling time.
- Follow up again next month.

Special adaptations for unique groups

- Think about leading a special group and adapt the material
