

MEETING WITH ESTABLISHED GROUPS

Leader's guide: SG3-3

Lecture time: 48 min.

Discussion time: approx. 40 min.

Lecture handling instructions

In preparation for this workshop you, the leader should study what are the modern applications of each of these 5 gifts mentioned in Eph. (In your opinion what is a modern day prophet?)

Leader's Oral Opening Comments

- The lecture asks the trainers to give their students *a short but deeply spiritual and motivational thought* during their initial orientation seminar .Better do some brainstorming with them right now and give your trainers something fresh and stirring during this session.

Leader's Oral Closing Comments

- In conclusion give them a short but deeply spiritual and motivational thought.
- Perhaps now is the moment to report on your Eph. 4 research.

Prayer instructions:

- Have them pair off into groups of 3 and share over outline point II-A-L. As much as possible have them pray over each item for each other.
- Pass-out material instructions:
- Provide each participant with an outline so he can use it to do the practical application for his groups.
- Practical assignments You as Seminar Leader need to halfway prior to the next workshop contact each to guide him further with the application of the lecture outline to his group(s).
