

# BUILDING A GOOD TRAINING FOUNDATION

## *Leader's guide:* LP7-3

Lecture time: 27 min.  
Discussion time: approx. 30 min.

### **Leader's Oral Opening Comments**

- God's job for us is raising up spiritual workers for Him. Christ had many applicants, but he chose only 12, then added 70 more. Is your focus on many or few? Do you accept anyone? Are you just helping average church members, or are you actually producing LEADERS for the Kingdom of God? Let us take a look at *Building a Good Foundation*.

### **Leader's Oral Closing Comments**

- Help me with a few ideas about building love, trust, and openness. Let us pool our resources. What are your ideas?

### **Prayer instructions**

- Christianity is relationships — Relationships must be built. Put the lecture Outline on the screen and discuss which items should begin with us, and how — then pray.
  
- Let the men do the practical assignment individually during your Workshop.

### **Discussion instructions —**

- Following the completion of the practical assignment let the men share and ask questions from one another.
