

HOW TO LOVE YOUR WIFE

Leader's guide: FR2-3

Lecture time: 37 min.

Discussion time: approx. 35 min.

Leader's Oral Opening Comments

- Now dear brothers, we are going to do an in-depth Bible study on the most favorite person in your life and how you can make that person feel even more special.

Leader's Oral Closing Comments

- You are good men — you need this extra sweetness in your life — don't let the devil beat you — WORK AT IT!

Prayer instructions

- We suggest that the men spend a prolonged time this evening going for a walk under the stars (45 min). In meditative prayer let them dream about how sweet it was at the beginning. Thank God for the past. Then in quiet meditation let each man pray about how sweet it can get in the near future. Thank God for the future.

Pass-out material instructions

- Pass out a written copy of the assignment to each man.

Practical assignments

- At the next Workshop the men are to report ***in writing*** the length of conversation — results. This should be from ½ to 1 page long report. It should state how long their discussion was. What the wife's reactions were. What insights they got. What plans and activities they have to minister to their wives until Christmas/Easter.
- Such a written report may be intimate and not be suitable to share with you. You should have a list of the men's names and just check off if they brought this paper without necessarily reading it.
- Then it will be well to have a follow-up Small Group Discussion Time based on the information they brought. This will enable them to share, learn from each other and pray for each other.

Special adaptations for unique groups
