

# FINANCIAL HEROES OF THE BIBLE

## *Leader's Guide:* FK1-3

Lecture time: 60 min.  
Discussion time: approx. 30 min.

### **Leader's Oral Opening Comments**

- This Lecture shows how all the financial heroes from the Bible rejected possibilities for personal gain as a benefit from their spiritual calling. Rather, most of them chose to make a personal investment into their calling. Consequently, as a result of their financial purity God honored them as heroes.

### **Leader's Oral Closing Comments**

- How did you come out? Compare pretty good? Do you know of other contemporary Financial Heroes? Who are they? What is special about them? Do you want to be one of these heroes?

### **Discussion instructions**

- Make photocopies of the questionnaire for each student. Have each privately answer the questions.
- If there are still students working on the questionnaire after 25 minutes have them move to question 16 and complete that in the remaining five minutes.
- Instruct them to complete the questionnaire before the next lecture.

### **Prayer instructions**

- In prayer have the men seek God for better motives and more financial purity.

### **Pass-out material instructions**

- Pass out questionnaire for the students

### **Practical assignments**

- Have the men write down the names of two of the financial heroes that they want to emulate. Then take time to let them develop a written plan about how they are going to do this and put it into practice. All this should be done during this meeting. Finally let them bring the plan and share it with you before they leave.
- At the next seminar ask each one for their result.
