

BE ALL YOU CAN BE

Leader's Guide PD3-3

Lecture time: 28 min.

Discussion time: approx. 20 min.

Lecture handling instructions

- After the lecture finishes, instruct everyone to remain in their seats. For this discussion they will not break into small groups. They will stay where they are, and fill out the questionnaire you have given them. Allow participants approximately 10 minutes to complete the questionnaire, and another 5-10 minutes for prayer. At that point, close this time in prayer.

Leader's Oral Opening Comments

- Lecture PD3 focuses on the Kingdom principle of doing more than the minimum. Humanism because it is self-centered results in doing the minimum or less. The evidence is all around us. God's principle is just the other way around: give a good measure, shaken together and pressed down. Our lifestyle is all about demonstrating our Kingdom citizenship.

Leader's Oral Closing Comments

- "Be all you can be." What a concept! Have you ever wondered how much more God has given to us than what we use? Let us pray with our eyes open while we fill out the questionnaire.
- "Lord open my eyes that I might see — Amen"

Discussion instructions

- The questionnaire replaces the discussion and is coupled with a time for prayer.

Prayer instructions

- Develop moments of prayer around the questionnaire.

Pass-out material instructions

- Pass out the questionnaire PD3-5 and the Practical Assignment to all.

Practical assignments

- Twenty two ideas that came to your mind inspired by the Lord. I hope you are truly going to be all that you can be.

Special adaptations for unique groups

- Find some successful businessmen in your community and share this with them.
- Successful people like to hear about new ways to be successful.
