- Let us seek new understanding and fresh deliverance.

### **Leader's Oral Closing Comments**

- Let us learn to read our own hearts, our own inner motives for what we do, or why we aren't experiencing 'the Peace of God'.

### **Prayer instructions**

- Say: "Let us take the outline as a review and take some quiet time outside." (Perhaps it may be cold or hot) God is not limited' let Him have His way for awhile.

### **Pass-out material instructions**

- Pass out the Outline to each one.

### **Practical assignments**
