

THE MAGIC WORD “ATTITUDE”

Leader's Guide: MP1-3

Lecture time: 46 min.

Discussion time: approx. 35 min.

Leader's Oral Opening Comments

- May “Grace and peace be multiplied to you,” brothers (2 Peter 1:2) That is the thought provoking topic I want to share today with you. Multiplying grace and peace. Here comes a lecture on: “The Magic Word”.

Leader's Oral Closing Comments

- Let us all read together in unison this poem.

Discussion instructions

- Let the men form spontaneous groups. And just let them talk while they snack on an apple or veggie.

Prayer instructions

- Divide-up into teams of about 3 — may stay in one large room. Use the lecture outline section 2 — the ‘I Am’s of the Messiah. Have each disciple read a verse aloud, then pray this verse from God directly back to God, but applying it personally by using personal pronouns.

Pass-out material instructions

- Duplicate the lecture poem for each disciple. Make it extra beautiful — add color — for their later use at home. Pass out this poem immediately at the end of the lecture, and use as stated.

Practical assignments

- A list of practical assignments is not provided for this lecture. However, it is strongly encouraged for you to develop several assignments that would be specific to your provincial situation and that would benefit your participants' ministries.
