

CONSUMED BY A PASSION

Leader's Guide: MP3-3

Lecture time: 59 min.

Discussion time: approx. 40 min.

Leader's Oral Opening Comments

- How is your passion for God? Do you love doing what you are doing? Is there an inner drive and motivation in your life? The key to a great work is what God does in your heart. So we are going to look at "*Being Consumed by a Passion*".

Leader's Oral Closing Comments

- I believe, we need to take some time to think about the 4 things we have just heard. Your passion for God, your passion for your wife and children, your passion for your ministry, and your passion to reach the next generation. Let this soak into your hearts as we move on to our discussion time.

Discussion instructions

- After the lecture finishes, instruct everyone to remain in their seats. For this discussion they will not break into small groups. They will stay where they are, and you will lead the discussion from the front. Pass out the Discussion Questions to each student.
- This is a motivational lecture. You have a great opportunity to present your students with a strong challenge, but your success will depend on how well you know the lecture and the discussion questions so that you can guide the discussion in such a way as to bring the challenge home to their hearts. And...your own passion and prayer for these men.
