

COURAGE

Leader's Guide: MP4-3

Lecture time: 20 min.

Discussion time: approx. 30 min.

Leader's Oral Opening Comments

- This lecture, brothers, is geared to give us the courage to be the heroes we need to be. And can be! Many of us faithfully serve the Lord, but we are not exactly *Heroes* yet. This lecture will provide you with the right basis for spiritual courage. Let me see some hands — who would like to be more than what you now are? O.K. let us focus:

Leader's Oral Closing Comments

- Following this lecture we will have a large group discussion and then a time of praise.

Discussion instructions

- After the lecture finishes, instruct everyone to remain in their seats. For this discussion they will not break into small groups and you will lead the discussion from the front.

Prayer instructions

- Now at the close of this lecture I believe it would be most appropriate to have a mighty praise session of what God is about to do in your region. On our knees, let us lift our hands high like the old Israelites and call out loud your attitude of gratitude for being called by God and led by Him to this momentous moment to launch your own discipleship ministry with the goal of starting new churches in your area to expand the Kingdom of God. Wow!

Practical assignments

- A list of practical assignments is not provided for this lecture. However, it is strongly encouraged for you to develop several assignments that would be peculiar to your provincial situation and that would benefit your participants' ministries.
