

# DEVELOPING A VISION

## *Small Group Discussion Questions*

1. What is vision? How is it the same or different from a calling?
2. What are three necessary components of vision?
3. Do you have a vision? Have you ever had to sacrifice something for that vision?
4. What are the three costs of vision?
5. What implication does Ezekiel 33:1-9 have for us as Christians? How should this motivate us to have vision?
6. How do prayer and a willingness to change affect our ability to have vision?
7. What is your spiritual gift? (List your top one and two that you think are possibilities.)
8. When we have a vision but things do not seem to be going well, why must we not quit?
9. If there are still issues you have questions about, please raise them now.
